Good morning David, I am glad to see the proponent will include that statement. We have no further concerns.

Regards,
Hamish

Hi Hamish,

Here is the proponent's response, can you confirm your satisfaction?

Thank you,

Hi Dave,

We have reviewed the letter and are in agreement with Dillon's recommendation for the BMPP review subject to the following wording: "The BMPP will be reviewed annually, at a minimum, and updated if required."

It would appear that Dillon is now satisfied with the Air Quality Assessment. Can you please confirm?

Thanks

Neal

Hi Jeremy and Neal,

Please find attached Peer Review Response No. 3 for the Shantz Station Pit Peer Review of the Air Quality Impact Assessment. Please advise if you have any questions or follow-up response.

Kindly,

Dave Welwood
